Thanks Stephen. Sorry it took so long to get it out.

Tina

Subject: additional info for SJRWP main website

Hi David:

1) Delete the second paragraph under the 'Wastes and Volume' section. Replace with the links for the 'EPA Research Information on Dioxin' and 'EPA Clean Up Information on Dioxin'.

2) Add the following after the 'Health Considerations' title on the SJRWP main page:

The Texas Department of State Health Services (DSHS) and the Agency for Toxic Substances and Disease Registry has released the San Jacinto River Waste Pits Public Health Assessment – Public Comment Draft. The public comment period will be from April 7, 2011 through May 31, 2011. All comments received by the DSHS on the document in writing by May 31, 2011 will be addressed in the final Public Health Assessment document.

A copy of the Public Health Assessment has been placed at the following locations for those wanting to view it:

<http://www.dshs.state.tx.us/epitox/posted.shtm>

Stratford Branch Library (hard copy and electronic copy being mailed this morning)
509 Stratford Street
Highlands, Texas 77562-2547
(281) 426-3521

Pasadena Public Library (hard copy and electronic copy being mailed this morning)
1201 Jeff Ginn Memorial Dr.
Pasadena, TX 77506
(713) 477-0276

Please contact Ms. Tina Walker by email at tina.walker@dshs.state.tx.us or via telephone at 512-776-2932, if there are any questions or comments.

3) Add the following after the 'Community Involvement' title on the 'Community Involvement' page: "The Texas Department of State Health Services (DSHS) and the Agency for Toxic Substances and Disease Registry has released the San Jacinto River Waste Pits Public Health Assessment – Public Comment Draft. Please click here for more information." and link to the 'Health Considerations' section.

Thanks,

Stephen L. Tzhone
